Renee,

For some reason the Budget document for the Walker River Competitive proposal didn't include the budget table that is attached here. Thanks. Stephanie

Roy,

Would you please put together and send me a Budget Table for the Competitive workplan (the same as you did for the Base workplan)? Thanks. Stephanie

Roy,

Congratulations on being selected for the FY17 CWA 319 Competitive funding. Below are the specifics for applying for the FY17 CWA **319 base funding**. You already applied for the competitive funding in Grants.gov so you do not need to do anything more with the competitive application

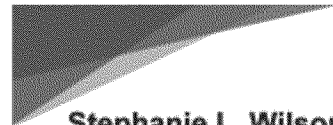

Application Due Date:	July 1, 2017
Statutory Authority/Program Title:	CWA 319 Nonpoint Source
Type of Grant:	New
Federal Funds Available:	\$30,000 (Base)
Required Non-Federal Match:	\$3,333
CFDA:	66.460

A complete, signed application for the **\$30,000 base funding** should be submitted directly to me and to Renee Chan via email by the due date indicated.

The base funding will be combined with the competitive funding into one grant.

Please note that funding amounts are tentative until the actual grant award is received.

If you have any questions, please let me know. Thanks and congratulations again.
Stephanie
